EXPERIENCE

Oklahoma City University Film School in Los Angeles
Production Student Assistant

Working with different film and sound equipment, like cameras, lens, lights, lav mics and props. Conducting individual and group training sessions and developing individual training. I assist with downloading media and assist with editing videos. I also ran the camera during class times when filming.

Conga Kids

Teaching Artist

Conducting individual and group classes to children while organizing events and creating lesson plans. Also, incorporate the meaning of Community and Foundation and how to utilize it in real life. Dances like *Merengue, Lamban, Son Cubano, Salsa, Cumbia, Authentic Jazz and Hip-Hop*.

Frontage Laboratories

Report Writer Coordinator I

My responsibilities were to build and repair data reports and software applications while checking for grammatical errors and data errors from the study.

Alterations Express

Sewing Assistant & Front Desk Associate

Conducting measurements and helping prepare garments for clients.

EXTRA SKILLS

Knowledge of Theater & Film Terms, Acting, Stage Combat, Improv 1 & II, Screenwriting, Costuming, Adobe Acrobat, Data Entry, Communication Skills, Microsoft, Organization Skills and Problem Solving Skills. Understanding how to use Final Draft & DaVinci Resolve, Film Equipment and Sound Equipment. Trained experience working with children and adolescents in an array of dances at all levels.
